

To All GreenAngel Followers

This is the week North America's largest environmental business event happens in Vancouver and GreenAngel is front and center hosting the PowerHaus Pavilion.

I am happy to be able to extend an invitation to you to join us at the Power Pitch presentations & PowerHaus Pavilion this week at GLOBE 2014. For your free access to the Power Pitch presentations, register for a TRADE SHOW Pass at <http://2014.globeseries.com/register/> and use the Code **PPI** when asked on the Registration Form.

In addition to the many hundreds of **GLOBE 2014** exhibitors from around the world that will be part of GLOBE 2014, we have created two special **PowerHaus Pavilions** featuring a select group of technology innovators showcasing ideas that could literally change the world.

Non-stop Power Pitch Investment presentations will take every afternoon in a special **GLOBE Grizzly Den** and daily **Power Hour** Receptions will allow you to interact with top Greentech innovators in a more relaxed setting.

The Power Pitch schedule and list of participating greentech companies is available for easy reference here: [www.greenangelenergy.ca/ph](http://www.greenangelenergy.ca/ph)

Hope to see you at PowerHaus this week!
