

Dear GreenAngel Investor:

Yesterday, we told you about the opportunity to invest in the PowerHaus Technology Ventures (VCC) Fund.

Today, we'd like to remind about our special [9% Notes](#) that are also RRSP eligible.

We are partnering with [Espresso Capital](#) to give Note holders a 9% annual compound rate of return.

Because GreenAngel is a public company, the Notes are RRSP eligible.

Capital raised from the Notes is managed by Espresso Capital by making short-term secured loans to technology companies.

These Notes are being offered to accredited investors in \$1,000 increments with a minimum investment of \$25,000.

Interested? Call me today at [604-644-1926](tel:604-644-1926).
