

Dear GreenAngel investors:

We'd like to invite you to consider a very attractive tax-assisted investment in our PowerHaus Fund. For every dollar you invest, you get an additional \$3 free tax dollars!

PowerHaus Technology Ventures, managed by GreenAngel, was set up as a private equity fund to invest in the seed rounds of greentech start-ups based in B.C.

If you are an accredited investor, there's still time (until March 3) to buy additional shares that will result in a 30% Tax Credit for 2013. Using an RRSP will give you up to an additional 44% in total tax credits!

Interested? Email or call me today.
